

GEORGE LAMBERTSON

Died, at the residence of his son, Hiram, in this village, July 3d, 1883, at 5 o'clock, pm, George Lambertson; aged 88 years.

Mr. Lambertson was born in Warren, NJ, July 23, 1795. Upon the 6th of October 1837, he landed in Rochester with his family, locating in the little house one door north of Wm. Swayze's residence on Main Street, where he lived many years, having resided in this village ever since, about 46 years.

For the past year, 'Uncle George', as he was familiarly called, had been perceptibly failing, yet he managed to keep upon his feet most of the time, in fact, everybody was astonished at the amount of vitality and sprightness which characterized every movement in one of his years.

It had been our privilege to meet 'Uncle George' very often during the past few years, and he always greeted us with the same pleasant smile and kindly salutation each day, and we learned to like the old gentleman.

We will venture to say that he did not have an enemy in the world, for he was respectful and kind to all, always attending to his own concerns.

He passed away peacefully and quietly, going to his rest full of years.

He leaves three children: John V. and Hiram of this village and Mrs. Gilbert Birdsall of Texas.

His funeral activities were conducted this (Thursday) morning, at Hiram's residence, the Rev. J. M. Lyon, officiating.
