

MASON, CORA

The funeral of Cora Mason was attended last Saturday afternoon at the M. E. Church, the room being crowded with mourning friends and sympathizing neighbors, Rev. J. P. Fryer conducting the services. The singing was especially impressive. Among the numerous floral offerings upon the occasion was a large design of 'Gates Ajar" made by an aunt of the deceased, living in Michigan City, Ind., and expressed to the friends here. It was certainly a most beautiful and appropriate offering, and was composed of some of the choicest and rarest flowers known in this latitude.
