

**KENNETH J. HILLMAN**  
**RETURNS HOME FROM**  
**34 MISSIONS IN AIR**

Staff Sgt. Kenneth J. Hillman was back in Rochester this week and is spending a well-earned leave with his wife in the Creighton Apartments after making 34 missions over enemy territory as a waist gunner on a B-17 Flying Fortress. Kenneth worked from a base in England, and shuttled to Russia and back, to Italy and back and helped to destroy the German war-making power while it still was a bristling, fighting machine with all its defenses intact.

He was warmly greeted here by his lifelong friends, he having resided in Rochester for 23 years, most of his life.
